Wednesday June 19, 2024

8:00am – Registration Desk Opens. **Location:** Atrium, O'Brien Centre for Sciences

8:30am – Exhibitor Hall Opens. **Location:** Atrium, O'Brien Centre for Sciences

9:00am – 10:15am - **Employability Plenary: *Cultivating Global Professionals: Exploring Key Factors in Post-Graduation Employability.*** Facilitator: **Dr Maureen Manning**, The PIE. Panelists: **TBA** *The Panel delves into the multifaceted realm of employability, examining pivotal factors that shape graduates into globally competitive professionals. Focused on fostering a holistic understanding, our discussion will encompass the transformative impact of internships, elucidating how hands-on experiences seamlessly integrate academic knowledge with practical skills. Additionally, we will explore the strategic role of international experiences on home campuses emphasizing their contribution to cross-cultural competence. Delving into the significance of study abroad programs, we'll unravel the profound influence these experiences exert on personal and professional development. Further, our discourse extends to the crucial role of K-12 international experiences, spotlighting early exposure's enduring impact. Join us for an insightful exploration of these key elements, offering attendees actionable insights to enhance the employability landscape for future graduates on the global stage.*
